Media Manthan - 2018

Nurture contentment and humanism: Justice Hegde tells budding scribes Contentment and humanism are the two important values that media practitioners must nurture in a neo-liberal democracy, N. Santosh Hegde, former judge of the Supreme Court has said.

He was speaking after inaugurating the national conference on the theme, ‘Media in a neo-liberal democracy: Many challenges’ organised by the department of Journalism and Mass Communication, St Aloysius College (Autonomous), here on Tuesday.

“We cannot have exaggerated expectations about media. Media are as good as society we live in. This is because, just like other three estates of democracy, the fourth estate the media emerges from civil society. It is when society becomes responsible, ethical and upholds human values that we can expect the same from all institutions of democracy,” Justice Hegde said.

Speaking about compromising of ethics and allegations of corruption against certain sections of media, he said

that when one becomes too greedy all principles and ethics are forgotten. “There was a case when a person was dying in an accident on the road and was begging for water, people were clicking photos and uploading them on social media. I do not think we must stoop to such inhuman levels,” Justice Hegde remarked.

Calling upon journalism students to not give up humanity even as they pursue their career, Justice Hedge said that it is only through genuine humanity that this world would be a better place.

Rector of St Aloysius Institutions, Fr Dionysius Vas, Principal Dr (Fr) Praveen Martis and HOD of Mass Communication department Dr (Fr) Melwyn Pinto were present.

Talk on Rawls theory of Justice in Indian Context

The Department of political science organized a talk "Rawl's Theory of Justice in the Indian context" at 2.40pm on 04th January 2018 at Sanidhya by Ms Shaunna Rodrigues Teaching fellow and Ph.D. student Department of Middle East, South Asian and African Studies, Columbia University.

Miss Shaunna Rodrigues ran through the text of John Rawls, "A Theory of Justice" by contextualizing to the Indian experiences. A **Theory of Justice** is a work of political philosophy and ethics by John **Rawls**, in which the author attempts to solve the problem of distributive **justice** (the socially just distribution of goods in a society) by utilising a variant of the familiar device of the social contract. Rawls theory of justice revolves around the adaptation of two fundamental principles of justice which would, in turn, guarantee a just and morally acceptable society. The first principle guarantees

the right of each person to have the most extensive basic liberty compatible with the liberty of others. The second principle states that social and economic positions are to be a) to everyone's advantage and b) open to all.

Ms Rodrigues explained the 'original position' and 'veil of ignorance' by utilizing day-to-day examples to create a hypothetical scenario. From the original position she explained the two principles of justice: the 'liberty principle'; and 'fair equality of opportunity' balanced with the 'difference principle'. These principles in turn would apply to the basic structure of social institutions. The talk also brought in his corollary work, "Political Liberalism". Students contextualized their queries to the cases of Kanhaiya Kumar Kumar of JNU or Bhima Koregaon. She pointed that liberalism is challenged from various quarters—history, colonial state, upholding one's religious ideals, nationalism, etc.

Report on promoting chemistry through the Alchemy Association

The Department of chemistry through the Alchemy association under the guidance of Dr. Vinola Rodrigues had organised a 3 day program for final year degree students of our college pursuing their degree program with chemistry as one subject. The goal of this activity was to ignite interest towards the subject of chemistry in the students. Dr Ronald Nazereth, Head of the Department

of PG Studies and Research in Chemistry introduced the simplicity of chemistry, a talk which was a two way interaction along with an activity which enraptured everyone into the topic. Following the talk the ex-students of the department of PG chemistry shared their wonderful experience. This was followed by the students currently pursuing master's degree in the department of chemistry bearing witness to their stay in the department. An introduction to the department was done in the form of a power point presentation showing the various aspects of the department from the department faculty to the various instruments in the labs and also the activities conducted and programmes hosted by the department.

Just keenly listening to talks can be a tedious process. Therefore the members of the alchemy association engaged the degree students with games. The students participated enthusiastically resulting in a positive feedback towards the end of the program. This was no doubt a fruitful endeavour pursued by the department of PG chemistry towards spreading the word of chemistry in the process generating love for the subject.

HACCP level 3 certificate Training programme

“Hazard Analysis and Critical Control Point (HACCP), it is a management system in which Food Safety is addressed through the analysis and the control of biological, chemical and physical hazards from raw material production, procurement and handling to manufacturing, distribution and consumption of the final product”

Industries required HACCP trained people for the analysis of hazards in their production and also to facilitate the students for developing skill of hazard analysis. On behalf of St Aloysius College, Mangalore; Dept. of Food Science and Technology had organized HACCP level 3 certificate programme for 3 days at college (Arrupe Auditorium), from 4th to 6th January 2018. Training programme was conducted by Dr Anandavally, FAO/UN Safety Expert, Managing Director, Food Safety Solutions International, Cochin and TR Ananthanarayanan General Manager, Food Safety Solutions International, Cochin.

The training programme was inaugurated by welcome speech by the staff Coordinator Ms Shilpa and lighting the lamp and vote of Thanks by the HOD of the Department Dr Raghavendra

In the first session introduction to food safety, GMP (Good Manufacturing Practice), PRPs and other related topics were discussed. Students were provided study material of HACCP principles and some activity sheets. The students were divided into 7 groups and they were told to write

SSOP for a product. The session ended up in the evening with four HACCP steps.

On the second day in the first session the HACCP principles and its industrial application were discussed with suitable examples in the second session all the groups were told to select a product and make HACCP plan for the selected product. Three groups presented on that day, and the discussions, corrections about that were made after each presentation and the session ended with this.

On the third day remaining groups presented their products and HACCP plan, the rest HACCP principles were explained and discussed. After that taking fishery industry as an example a video was shown about the hygiene and the maintenance of quality; especially GMPs. The important points in that video were told by all the groups.

An exam was conducted based on the three days training programme. It was conducted to qualify the students for HACCP level 3. At the end students shared their experiences. Prizes were distributed to the best performing groups. In total it was a very educative training programme which will help to develop their skills in food safety and it is one of the criteria for Food Industry

The certified body were from QCI (Quality Council of India) accredited.

Interactive talk by Arun Chakrabarthy, IPS

The Department of Political Science conducted a talk-cum-interaction by Mr Arun Chakrabarthy, IPS on the rationale behind the examination pattern of *All India Services* conducted by the *Union Public Service Commission* (UPSC). The inte

active session was held on January 01, 2018 at Eric Mathias Hall wherein the students from the UPSC coaching classes attended and actively participated.

The session began with the students listing out their aspirations for pursuing the services by getting coached for UPSC exams. Mr Chakrabarthy began to respond to these aspirations through his own experiences. He shared a disturbing trend amongst the youth from the Mangaluru town while serving as an officer. There were hardly any applicants for police inspector jobs from this part of the district when he was in charge of recruitments. He suggested that one's aspirations are best met by writing the exams for All India Services such as IAS, IFS etc. Hence he went through the various stages of the examination that spans an entire year from the preliminary round, to the mains which ends with a personal interview in New Delhi. He pointed the rationale for holding the examinations in various stages and the importance of each paper. Particularly he laid emphasis on the Mains paper on *Ethics, integrity and aptitude* which becomes essential as an aspirant is not guided by any syllabus but by values and principles that she or he have built their lives on.

Career Guidance Programme by CSC

Career guidance is much needed service to those who do not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. When high school and PU students have a clear understanding of the best career choices for them, end result is better planning, more college enrollments, and a more productive society for the future. In this contest on 19-01-2018 Centre for Social Concern had organized programme on career guidance at Government PU College, Chelarpadau Surathkal.

Speaker (M.S.W trainee) gave an introduction to the

session and gave a the career path for the students after PUC. Later the trainee explained about the current courses available for the students of both Commerce and Arts. Towards the end of the session the speaker told the importance of choosing the right path and PUC is a crucial time to decide their career. Also students benefited from the session.

'ಜಗತ್ತಿನ ಮೊದಲನೇ ಮಹಾಯುದ್ಧ: ಭಾರತೀಯ ಸನ್ನಿವೇಶ' ಕುರಿತು ಅಂತಾರಾಷ್ಟ್ರೀಯ ಸಮ್ಮೇಳನ

ಮಂಗಳೂರು, ಜಿ.5: ದೇಶವು ಸಂಕಷ್ಟದಲ್ಲಿರುವಾಗ ಜನರು ನೆನಪಿಟ್ಟುಕೊಂಡು ದೇವರು ಹಾಗೂ ಯೋಧರನ್ನು ಹಾಗೂ ದೇಶದ ರಕ್ಷಕೆಗಾಗಿ ತಮ್ಮ ಜೀವನ ಹಾಗೂ ಜೀವನ ಹಂಗನ್ನು ತೊರೆದು ಸೇವೆ ಸಲ್ಲಿಸುವ ಯೋಧರ ತ್ಯಾಗ ಎಂದೆಂದಿಗೂ ಅವಿಸ್ಮರಣೀಯ ಎಂದು ನಿವೃತ್ತ ವಿಲ್ ಮಾರ್ಕಲ್ ಕೆ.ಸಿ.ಕಾರಿಯಪ್ಪ ಹೇಳಿದ್ದಾರೆ.

ನಗರದ ಸಂತ ಅಲೋಶಿಯಸ್ ಕಾಲೇಜಿನ ಐ.ಎಸ್.ಎಲ್ ಸಭಾಂಗಣದಲ್ಲಿ 'ಜಗತ್ತಿನ ಮೊದಲನೇ ಮಹಾಯುದ್ಧ: ಭಾರತೀಯ ಸನ್ನಿವೇಶ' ಎಂಬ ವಿಷಯದ ಕುರಿತು ಇಂದು ಹಮ್ಮಿಕೊಳ್ಳಲಾಗಿರುವ 2 ದಿನಗಳ ಅಂತಾರಾಷ್ಟ್ರೀಯ ಇತಿಹಾಸ ಸಮ್ಮೇಳನವನ್ನು ಉದ್ಘಾಟಿಸಿ ಅವರು ಮಾತನಾಡುತ್ತಿದ್ದರು. ಯುದ್ಧದ ಸಂದರ್ಭದಲ್ಲಿ ದೇಶವು ಸಂಕಷ್ಟದಲ್ಲಿರುವಾಗ ಯೋಧರು ಮಾಡಿದ ತ್ಯಾಗದಿಂದಾಗಿಯೇ ನಾವು ಇಂದಿನ ದಿನವನ್ನು ಕಾಣುವಂತಾಗಿದೆ. ಯುದ್ಧವೆಂಬುದು ಭಯಾನಕ. ಅದಕ್ಕೆ ಸಾಕ್ಷಿ ಇತಿಹಾಸದಲ್ಲಿ ಆಗಿರಬಹುದು ಎಂದು ಹೇಳಿದರು. ಭಾರತೀಯ ಯೋಧರ ಪಾತ್ರ ಅನನ್ಯ. ತಮ್ಮನ್ನು ಅಡಕತೆ ನಡೆಸುತ್ತಿದ್ದ ದೇಶದ ಪರವಾಗಿ ಪ್ರಥಮ ವಿಶ್ವಯುದ್ಧದಲ್ಲಿ ಭಾರತೀಯ ಯೋಧರು ಸೆಟೆದು ನಿಂತು ತಮ್ಮ ಪ್ರಾಣ ಅರ್ಪಿಸಿದ್ದರು. ಯುದ್ಧದಲ್ಲಿ ಸಾವಿರಾರು ಮಂದಿ ಯೋಧರು ಹತರಾದರೆ, ಅಲೋಶಿಯಸ್ ಕಾಲೇಜಿನ ಪ್ರಾಂಶುಪಾಲ ರೆ.ಫಾ. ಪ್ರವೀಣ್ ಮಾರ್ಕಲ್ ಮಾತನಾಡಿ, ಯುದ್ಧ ಎಂಬ ಪದವೇ ಭೀಷ್ಮವಾದುದು. ಅದು ಹೃದಯದಲ್ಲಿ ತಳ ಮಳವನ್ನು ಸೃಷ್ಟಿಸುತ್ತದೆ. ಹಾಗೂ ಇತಿಹಾಸ ಮರು ಕಳಿಸುತ್ತಿರುತ್ತದೆ. ಆದರೆ ಇತಿಹಾಸದ ತಪ್ಪುಗಳು ಗೋಚರವಾಗುವುದು ಎಂದರು. ಅಧ್ಯಕ್ಷತೆ ವಹಿಸಿದ್ದ ಅಲೋಶಿಯಸ್ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಗಳ ಡಿರಕ್ಟರ್ ಫಾ.ಡಾ.ಡೈನೇಬಿಯಸ್ ವಾಸ್ ಮಾತನಾಡಿ, ಯುದ್ಧದಲ್ಲಿ ಯೋಧರು ತಮ್ಮ ಸರ್ವ ಸ್ವವನ್ನು ತ್ಯಾಗ ಮಾಡಿ ನಮಗೆ ಉದ್ಧಾರವಾದ ಈ ದಿನವನ್ನು ನೆನಪಿಟ್ಟುಕೊಳ್ಳಿ. ಅದನ್ನು ನಾವು ಕಾಪಾಡಿಕೊಳ್ಳ

ಯೋಧರ ಸೇವೆ ಹಾಗೂ ತ್ಯಾಗವನ್ನು ಯಾವತ್ತೂ ಮರೆ ಯಲಾಗದು. ಅದು ಒಂದಲ್ಲಾ ಒಂದು ರೀತಿಯಲ್ಲಿ ಗುರುತಿಸಲ್ಪಡುತ್ತದೆ. ದೇಶ ಸೇವೆಗೆ ಸೇನೆ ಒಂದು ಉತ್ತಮ ಆಯ್ಕೆ. ಸೇನೆಯ ಯಾವುದೇ ವಿಭಾಗಕ್ಕೆ ಯುವ ಪೀಳಿಗೆ ಸೇರ್ಪಡೆಗೊಂಡು ತಮ್ಮ ಭವಿಷ್ಯವನ್ನು ರೂಪಿಸುವುದರ ಬತೆಗೆ ದೇಶಕ್ಕಾಗಿ ತಮ್ಮ ಸೇವೆಯನ್ನು ನೀಡಬಹುದು.

ಬೇಕು. ಯುದ್ಧದ ನಂತರದ ಪರಿಣಾಮಗಳನ್ನು ನಾವು ಮರೆತುಬಿಡುತ್ತೇವೆ. ಒಬ್ಬರಿಗೊಬ್ಬರ ನಿರ್ಲಕ್ಷ್ಯ, ಅನುಮಾನ, ಸಂಘರ್ಷ, ಅಸಹಿಷ್ಣುತೆ, ಮತೀಯ ವಾದ ಅಧಿಮತವಾಗಿ ಯುದ್ಧಕ್ಕೆ ದಾರಿ ಮಾಡಿ ಕೊಡುತ್ತವೆ. ಈ ಬಗ್ಗೆ ನಮ್ಮಲ್ಲಿ ಎಚ್ಚರಿಕೆ ಅಗತ್ಯ. ನಿಂದವರು ಹೇಳಿದರು. ಜಾರ್ಜ್ ವಾಶಿಂಗ್ಟನ್ ಪ್ರೊ. ಕೌಲಿಕ್ ರಾಯ್ ದಿಕ್ಕನ್ನೇ ಭಾಷಣ ಮಾಡಿದರು.

Human values declining in society and media: Hegde

INDIA 31.1.2018

IN the background of media coming under scrutiny in its role in disseminating factual information, post graduate department of Journalism and Mass Communication, St Aloysius College (SAC) organised a daylong conference on the topic, 'Media in a neo-liberal democracy: many challenges', here on Tuesday.

Former Karnataka Lokayukta Justice N Santosh Hegde addressing the gathering after inaugurating the conference on the topic, 'Media in a neo-liberal democracy: many challenges', at LCRI block in St Aloysius college said while society was becoming intolerant, media was slowly becoming corrupt. The corruption was not fault of an individual but of the society. The society expects truth and facts from media, but somewhere, even media is involved in creating conflict among people, he rued.

Justice Santosh Hegde said: "We need to focus on two important aspects in life which are contentment and humanism. We have long forgotten the footsteps of our forefathers." He highlighted on different aspects of laws including sedition, defamation and freedom of expression. With every passing day, human values are declining in society and media. Thus students of journalism should not betray human values and succumb under pressure of commercialisation.

"The voice of poor, exploited and suppressed should always be upheld," he

urged. SAC college Principal Fr Praveen Martis said competition, commercialisation and prejudices had stymied journalists from supporting the truth or becoming a true voice of society. St Aloysius Institutions Rector Fr Dionysius Vas presiding over the programme charged media houses of imposing their perception on society. "It is a very dangerous trend. So journalists should try to overcome all these challenges and should be more democratic," he stressed.

SAC Vice Principal (MAFFEI Block) Fr Melwyn Pinto, Student Coordinator Jean Rodrigues among others were also present at the event. A panel discussion with media professionals was also held in the afternoon. Journalist Ronald Fernandes presided over the valedictory programme and distributed certificates to 13 students who presented papers in the seminar.
