BOB MARLEY OU LE REBEL...

Un destin exceptionnel pour cet artiste sorti des ghettos de Kingston... C'est aujourd'hui le symbole universel du Reggae. Partout sa musique est jouée, ses disques s'écoutent toujours et les ventes ne s'arrêtent pas. Au Brésil, dans les canyons de l'Arizona, comme dans le bush australien, des communautés lui consacrent un culte, dansent sur ses rythmes... Le reggae n'explique pas tout. Bob Marley n'était pas un artiste comme les autres. Il possédait ce que l'on appelle du charisme. Il était musicien mais se considérait surtout comme le messenger d'une nouvelle religion, le rastafarisme. La foi fut l'axe essentiel de sa vie mais aussi le centre de son oeuvre.

Il n'est pas un problème, de la crise financière à l'écologie, de la famine à la pauvreté, qu'il n'ait pas évoqué dans ses textes. Bob Marley faisait danser les gens en les aidant à prendre conscience de certaines choses de la vie de tous les jours. Dans l'une de ses premières créations, il se définissait comme un 'rebelle de l'âme'. Il n'eut de cesse d'assumer cette rébellion, d'en payer le prix, pour devenir l'un des derniers héros universels du XXe siècle...

- Qui est Bob Marley?
- Où est-il né?
- Comment appelle-t-on la musique il a créée?
- Comment est-il considéré?
- Comment se définissait-il?
- Comment s'appelle mouvement créé par Bob Marley?
- Qui consacre un culte en sa faveur?
- Qu'est-ce qui n'est pas évoqué dans ses textes?
- Connaissez-vous ses chansons les plus célèbres?
- Connaissez-vous d'autres chanteurs de reggae?
