Rs. 2.39 Crore Research Grant Sanctioned under DBT-BUILDER SCHEME

Adding yet another feather in the cap of St Aloysius College (Autonomous) in its research credentials, the College has been sanctioned DBT- BUILDER (Level-1), Ministry of Science & Technology Government of India. A sum of Rs. 2.39 Crore has been sanctioned under the BUILDER Scheme (Boost to University Interdisciplinary

Life Science Departments for Education and Research) Programme (Level-1) by Department of Biotechnology, Ministry of Science & Technology Government of India. The Grant is intended to invigorate the interdisciplinary modern Bioscience research through the up-gradation of the postgraduate teaching and training laboratories; evolving a comprehensive curriculum without gaps and overlaps; and enhancement of the hands-on practical training to students so that they develop expertise in the

field of Life Sciences. St Aloysius College (Autonomous) intends to carry out Bioprospecting of marine macroalgae for value added

products from Dakshina Kannada and Udupi coast. The main objective of the project is to survey, isolate and identify marine macroalgae for its cultivability and potential uses. In vitro and in vivo toxicity studies of the algae will be carried out to assess their usability in the food industry.

Biochemical profiling of the algae will be conducted to aid in the development of value-added products. The outcome of the research would provide alternate sources of income to the fishermen community in addition to an increased public demand for macroalgae based products.

The Postgraduate Departments of Biotechnology, Biochemistry and Food Science & Technology will collaborate with the Physical Sciences as well as Humanities for the execution of the project.

The Management and Principal have commended Dr Asha Abraham, Associate Professor, Department of Biotechnology (PG), the Project Coordinator for submitting

Education on Child Sexual Abuse

Child sexual abuse is a violation of a child's body as well as of the trust, implicit in a care giving relationship. This violation can have a significant impact on how the child, as a victim and later on as an adult survivor, sees and experiences the world. The effects of child sexual abuse can be damaging but need not be permanent.

In this context, to give awareness on 'Child Sexual Abuse and Prevention' the Centre for Social Concern had organized a program at Government Pre-University College, Gurupura for 2nd PUC students on 12-03-2021, to educate the students on sexual abuse. Hundred and forty students participated and they were divided into 4

groups. Resource persons addressed the students and educated them on safe and unsafe touch, chances of being sexually abused, preventive methods avoiding such situations and support system available for them. Speakers explained about physical and psychological changes in adolescent and puberty period.

This session was a compilation of both games and talk, which was more attractable for the students. During the session students' doubts were clarified and feedback was collected by speakers. Dr Shwetha Rasquinha, Dr Deena Dsouza, Ms K Gopika and Mr Glavin resource persons of the programme.

Women's Day Celebration

Women's forum along with Students council organized a program on March 8th on "women's day" to celebrate the spirit of womanhood in the LF Rasquinha Hall, LCRI block of the college.

Advocate Sparsha D'Souza was the chief guest and inaugurated the programme. Sapna Shenoy, an Investment

Services Professional and trainer and Vidya Dinker, a social and environmental activist were the guests of honour for the programme.

Advocate Sparsha in her address spoke of the importance of women in the judiciary and the role they play in ensuring justice. She reminisced over her college days and her journey from being a shy individual to taking up positions of authority and spoke on the importance of dedication and determination in achieving success. She added that God Almighty has played an important role in her journey.

Sapna Shenoy, in her address, highlighted the need for financial independence among women. She shed light on the various benefits of entrepreneurship, and the need for women to take up more entrepreneurial ventures. "You will work for your business in the beginning and later your business will work for you" she added.

Vidya Dinker, in her address, highlighted the importance of independence in various spheres of a woman's life, from her workplace to her home. She shed light on the various demands society imposes on women. She painted the example of a woman who is extremely independent in her workplace and holds positions of authority but has no right in the decision making of her personal life. She stressed the need to change such a situation. She spoke of how women can spark improvement and empowerment in other women.

Fr Dr Praveen Martis S J, in his address, said that there is a long road ahead for woman empowerment even in developed countries like the United States of America. "Women are the reason for life and the reason for love", he added. He also said that the gift of creation was given through a woman. Advocate Sparsha D'Souza was felicitated during the programme.

A video was presented in which the female students of Aloysius spoke about the women that inspire them and about what they like most about being a woman.

Shivani presented an inspiring and captivating dance performance. A melodious musical medley was presented by Alina Peris and team. Renita D'Souza welcomed the gathering. Dr Ratan Mohunta, Dr Divya Shetty and Niveditha introduced the guests. Melnitha Correa compered the programme. Paloma Rodrigues proposed the vote of thanks.

Konkani Institute holds seminar on NEP and NLP

In the light of the progress of Konkani in the future, a seminar was organised by the Institute of Konkani, St Aloysius College (Autonomous) here on March 20.

Dr Alwyn D'Sa, Registrar (designated) of the College spoke on National Education Policy -2020 and what possibilities regional languages have. In his speech he said, "National Education Policy (NEP)-2020 emphasises on education in mother tongue from Anganwadi to eighth standard. But if the NEP is implemented, there will be no textbooks in Konkani. In this regard, there is a challenge and opportunity for the Institute of Konkani and likeminded institutes to spearhead the preparation of all the required textbooks in the Konkani language from Anganwadi to eighth grade."

He also said that Konkani language classes should be conducted for professionals so that employees, nurses and other professionals from other states can work and interact with Konkani institutions here.

Anne Rajan, assistant professor of computer science at Dempe College, Goa, spoke on natural language processing (NLP) said that NLP is nothing but teaching the computer to understand and manipulate human language. She spoke about the need for learning natural language processing for the development of Konkani language. She further enumerated on the progress made in this regard in Goa. "The modern world is fast-paced in technology and technology is changing fast. Language that does not record this development can gradually lose its oscillation. To use any language in modern technology, that language needs a sound resource," she added.

At the beginning of the programme, Director of the Institute of Konkani, Dr (Fr) Melwyn Pinto SJ welcomed the gathering and chaired the sessions. Programme coordinator Joachim Pinto compered the programme. Miss Del-

vita Veigas proposed vote of thanks. Students from St Joseph's Engineering College, Vamanjur, St Aloysius College (Autonomous) and several Konkani authors were present for the seminar.

Aloysian Students Participate in Virtual Model European Union

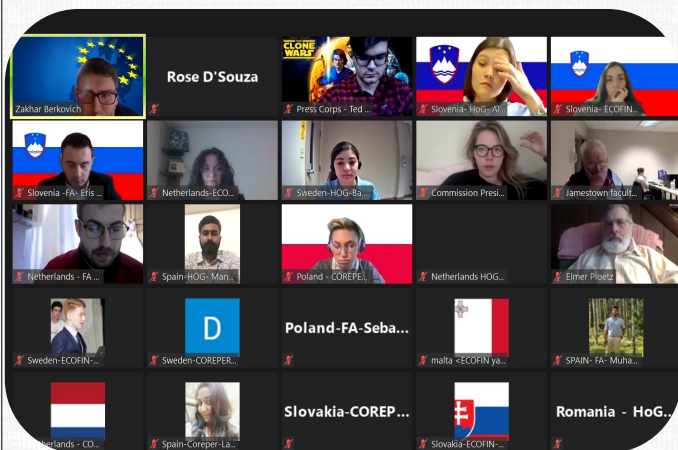

Students of B.A., under the guidance from the Dept. of Political Science represented the St. Aloysius College (Autonomous), Mangaluru at the State University of New York Model European Union (SUNYMEU) 2021.

The SUNYMEU 2021 was held over two weekends: April 10-11, 2020, and April 17-8, 2020. Synchronous meetings were held from 10.00-13.00 (Eastern Daylight Savings Time) on each of those four days. St. Aloysius College Autonomous became the first college from India to participate in this meet, thus winning the 'Night Owl' award. The following are the list of the students that role-played their alter egos while simulating Spain within the European Council Summit of the EU.

MANU SHARMA from II B.A. as Head of the Government. **MUHAMMED ADIL RAZA** from I B.A. as Foreign Minister. **VIDHULA KODIRA** from I B.A. as Eco/ Finance Minister. **LAKSHMI PRABHA** from I B.A. as COREPER

Dr Rose Veera D Souza, Dean of Faculty of Arts and

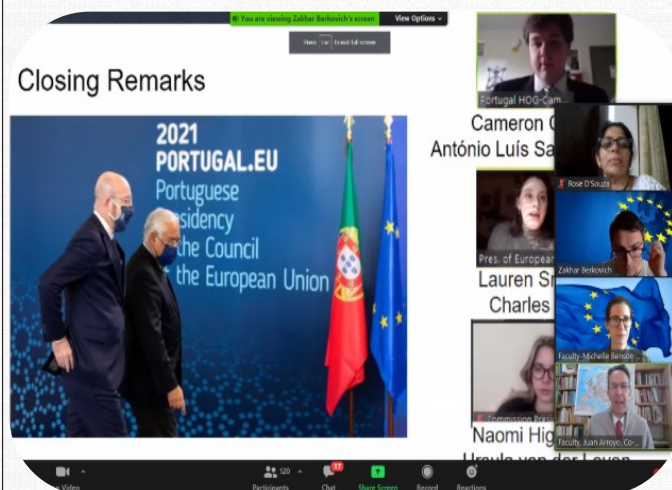

HOD of Political Science took the initiative of identifying students and corresponding for their participation with the State University of New York, Cortland. Dr Rose Veera D Souza and Dr. Joyce S. Lobo trained the students and participated in the MEU as Faculty Advisors.

SUNYMEU 2021 gave an opportunity for our students who have Political Science as one of their subjects to

explore the ways of European Union in terms of arriving at policy formulation, policy deliberation and policy adoption by way of unanimous consensus.

Our students participated in the plenary session, in the Q&A on Faculty Panel presentations, and most importantly within their respective Functional Meetings. Within the Functional Meetings they played the crucial role in terms of participating in moderated caucuses, voting, including suggesting amendments to the Agenda set up by the Portugal Presidency. They along with their counter parts successfully completed the adoption of Portugal Agenda and moved into the next round of voting on alternative agendas within their respective Functional Meetings.

The Portugal Agenda comprised of topics relevant to EU viz., on EU's relationship with Saudi Arabia in the light of targeting civilians in Yemen and particularly the killing of journalist Jamal Khashoggi; Improving Asylum

Policies & Relationship with The Alliance of Small Island States (AOSIS); Rebuilding the European Economy through Sustainable, Equitable Investment; and Confronting and Reducing the European Union Knowledge Deficit. All agendas were discussed in the context of economic slowdown, paralysis that griped EU due to covid19, the rise in unemployment among youth etc. The four days concluded with a Press Conference that was purely led by students simulating their alter egos as done in real press meets.

All these experiences have been cherished by our students and faculty so much that, the Dept. of Political Science contemplates to organize one such within the College and institutionalize it as an annual event.

The Principal, Rev. Dr. Praveen Martis SJ gave the required support and assistance to the students and faculty during the runup to the SUNYMEU2021.

St Aloysius College (Autonomous) Mangaluru is proud of its staff efforts in 2020 wherein, we have been pioneers of many actions and processes that changed the way traditional education continued. Aspirations left behind

in the past have been taken up actively in 2021 alongside the important factor of "Recognition" which was initiated by HR this year. This process showcases Performers Beyond the Routine.

"Recognition in Appreciation" which was on the top of the must have program of our Principal Rev. Dr. Praveen Martis was launched in January 2021 and has successfully been running since.

The "Recognition in Appreciation" was broadly in 3 categories : Staff of the Month, Student of the Month (Male & Female): Aloysian Alumnus of the Month

Staff Recognition : This recognition appreciates those go beyond their job responsibilities. This recognition enables all Staff (teaching & non-teaching), HODs / Deans / Directors & Supervisors / Managers recognize star performers who helped build successful teams with their relentless efforts. Bringing to light staff effort that was beyond requirement and expectation encourages staff to do more at Aloysius with their knowledge, skills and talent versus stick to routines.

Objectives of Staff recognition:

- # Recognise outstanding performance by teaching and non-teaching staff.
- # Encouraging staff to take up initiatives that was beyond the routine call of duty.
- # Recognize commitment and dedication that helped groom students to be "Men & Women for and with others".
- # Building a culture of grooming success.

Student Recognition Program – 2021 Student of the Month - (Male) & Student of the Month - (female)

This recognition helps teachers and members of the student council identify and recognise worthy students and showcase best talents. The recognition is given to students with outstanding performance for contributions that made Aloysians proud.

Objectives of Student recognition:

- # Recognise and encourage outstanding performance of the students.
- # Encourage & inspire students to push their boundaries and strive for more.
- # Building a culture of grooming success.

Aloysian Alumnus of the Month : This recognition is intended to recognize our Alumni who have made a

positive difference with special efforts that have shown its impact of truly being men and women for and with others serving the community/society at large. They carry themselves as role models for current students who look up to them and carry the pride, with feathers on their hat of belonging to this prestigious institution.

Objectives of Alumnus Recognition : # Recognise

Much awaited serving Aircraft reached Mangalore 6 KAR AIR SQN NCC

The Squadron was so long undertaking the training of the Cadets with only one out of the two Microlight Aircrafts that were supposed to be at Mangalore. This meant that in case the aircraft developed any snap, the Cadets who had taken the pains of commuting all the way to the Bajpe Airport had to return back without taking any valuable training lessons imparted to them on aviation mandated as a part of NCC Air Wing.

The second aircraft had been at ASTE (Aircraft Systems Testing Establishment) at Bangalore for more than a year and the team of Technical Air warriors lead by JWO Sudheesh ensured that their CO, Gp Capt Srinivasan, with the able support and assistance of the Group HQ Mangalore & NCC Karnataka and Goa Directorate could fly the aircraft to Adani Airport, Bajpe on 25 Mar 21.

It's the same team that had achieved the feat of recommencing flying for Air Wing Cadets at Mangalore after a very long gap. Hope the Cadets continue touching the sky with glory.

Many pledge to donate eyes at eye donation camp at Radio Sarang

Over sixty people pledged to donate their eyes at an eye-donation campaign held here on Sunday, April 11.

The programme was jointly organised by Radio Sarang and National Environment Care Federation (NECF) at St Aloysius College. Prashant Netralaya, Mangalore took the lead to register those willing to pledge their eyes.

Speaking on the occasion, Shashidar Shetty of NECF said that it is important to brighten the lives of those who have never seen light, by donating the eyes. "We desire to live happily as long as we live. But, after we are dead, we can still make the life of many more people happy, especially by donating our eyes," he said.

Director of Radio Sarang, Dr (Fr) Melwyn Pinto said that India had over three crore blind people and unless

we donate our eyes after we die, the number of blind would only increase. "Over twenty five thousand people die every day in India. Even if one thousand of them donate their eyes, India will be free of blind people within a couple of years," he added.

Jayaprakash Ekkur, a listener of Radio Sarang and part of NEFC took the lead in organising this eye-donation campaign. He said that his mother was his inspiration as she donated her eyes after listening to a radio programme on AIR Mangalore. "When we donated her eyes when she died, many more people were inspired," he said.

Dr Disha from Prashant Nethralaya gave an awareness talk on the procedures to donate eyes.

80 PEOPLE PLEDGE TO DONATE EYES

DIVYA CUTINHO @Mangaluru

AS many as 80 people pledged to donate their eyes at an eye donation camp organised by environmentalist Jayaprakash Ekkur from Mangaluru on Sunday.

The eye donation camp was jointly organised by Radio Sarang and National Environment Care Federation (NECF) at St Aloysius College, Prashant Nethralaya, Mangaluru, took the lead in registering those willing to pledge their eyes.

Jayaprakash Ekkur said that his mother was his inspiration as she donated her eyes after listening to a radio programme on AIR Mangaluru. "When we donated her eyes, many more people have come forward to pledge their eyes. In the camp, more than 15 people who are above the age of 70 have registered for eye donation," he told The New Indian Express. He has been creating awareness against use of plastic.

Earlier during the camp, Shashidar Shetty of NECF said it is important to brighten the lives of those who have never seen light, by donating eyes. "We desire to live happily as long as we live. But, after we are dead, we can still make their life of many more people happy, especially by donating our eyes," he said.

Director of Radio Sarang, Dr Melwyn Pinto said that India had over three crore blind people. "Unless we donate our eyes after we die, the number of blind will increase. Over 25,000 people die every day in India. Even if one thousand of them donate their eyes, India will be free of blind people within a couple of years," he added. Dr Disha from Prashant Nethralaya gave an awareness talk on the procedure to donate eyes.

ಈಸ್ಟರ್ ಹಬ್ಬದ ಮಹತ್ವ

ಇಂದು ಈಸ್ಟರ್ ಅಥವಾ ಯೇಸುಕ್ರಿಸ್ತರು ಪುನರುತ್ಥಾನರಾದ ದಿನ. ಈ ವಿಶೇಷ ಘಟನೆಯ ಒಟ್ಟು ಅರ್ಥವೇನು? ಯೇಸುಕ್ರಿಸ್ತರು ಆತೀವ ದಂಡನೆಗೆ ಗುರಿಯಾಗಿ, ತಿಲಬೆಂಗಳಿಯ ಮಡಿವ ಕ್ರಮಣ ಮೂರನೆಯ ದಿನ ಮತ್ತೆ ಜೀವಂತರಾಗಿದ್ದರು. ಅವರೇ ಹೇಳಿದ ಹಾಗೆ ಗೋಧಿಯ ಕಾಕು ನೆಲದಲಿ ಬಿದ್ದು ಸಾಯದೆ ಫಲ ನೀಡುವುದಿಲ್ಲ. ಹಾಗೆಯೇ, ಸಾವಿಲ್ಲದ ಪುನರುತ್ಥಾನವಿಲ್ಲ. ಮತ್ತೆ ಜೀವಂತರಾಗಿ ಎದ್ದ ಯೇಸು ಕ್ರಿಸ್ತನು ಸಮುದಾಯದ ಉಗಮಕ್ಕೆ ಸ್ಫೂರ್ತಿಯಾಗುತ್ತಾರೆ. ಯೇಸು ಭವ್ಯ ರಾಜ್ಯವೊಂದನ್ನು ಕಟ್ಟುವ ಮುಕ್ತೆ ಆ ರಾಜ್ಯದಲ್ಲಿ ತಾವು ಅಧಿಕಾರಿಗಳಾಗಬಹುದು ಇತ್ಯಾದಿ ಕನಸು ಕಂಡ ಶಿಷ್ಯರಿಗೆ ಯೇಸುವಿನ ಕ್ರೂರ ಅಂತ್ಯ ಅಘಾತವನ್ನು ನೀಡಿತು. ಹಾಗೆ ನೋಡಿದರೆ, ಶಿಷ್ಯರು ಯೇಸುವಿನ ಕೊನೆ ಕ್ಷಣಗಳಲ್ಲಿ ಅವರ ಜೊತೆ ಇರಲಿಲ್ಲ ಕೂಡ. ಆದರೆ, ಯೇಸುವಿನ ಪುನರುತ್ಥಾನದಿಂದ ಶಿಷ್ಯರಲ್ಲಿ ಕೂಡ ಹೊಸ ಜೀವ ಬಂದಂತಾಗುತ್ತದೆ. ಅವರಿಗೆ ಆ ನಂತರ ಯಾರಿ ಭಯವೂ ಇಲ್ಲ. ನಿಜಾರ್ಥದಲ್ಲಿ ಇದು ಶಿಷ್ಯರ ಪುನರುತ್ಥಾನವೂ ಅಗುತ್ತದೆ ಎಂದರೆ ಅತಿಶಯವಲ್ಲ. 11.4.2021

ಸಾವು ಎಲ್ಲದರ ಅಂತ್ಯ ಎಂದು ನಂಬುವವರು ಇದ್ದಾರೆ. ಆದರೆ ರೀತಿ ಮರುಜನ್ಮವನ್ನು ನಂಬುವವರೂ ಇದ್ದಾರೆ. ಹಾಗೆ ನೋಡಿದರೆ ಸಾವಿಗೆ ಅಂಜದವರು ಇದ್ದಕ್ಕಿದ್ದ ಸಾವಿನ ಕುರಿತು ಚಿಂತನೆ ಮಾಡಲು ಅಂಜುವವರೂ ಇದ್ದಾರೆ. ಒಂದಂತೂ ನಡೆ. ಯಾರಿಗೆ ಸಂಸ್ಕೃತಿಯಿಂದ ಜೀವಿಸಲು ಬಯಸಿಲ್ಲವೋ ಅಂತಹವರಿಗೆ ಸಾವಿನ ಭಯವೂ ಇಲ್ಲ. ಯಾರಿಗೆ ಸಾವಿನ ಭಯವಿಲ್ಲವೋ, ಅವರ ಮನದಲ್ಲಿ ಕ್ಷಣ ಕ್ಷಣಕ್ಕೂ ಪುನರುತ್ಥಾನ ಹೊಂದುತ್ತಾ ಇರುತ್ತಾರೆ. ಪ್ರತಿ ಗೆಳೆಗೆ ಅವರಲ್ಲಿ ಹೊಸ ಚೈತನ್ಯ ಹೊತ್ತು ತರುತ್ತದೆ. ಅಂಥವರು ತಮ್ಮ ಸುತ್ತಮುತ್ತ ಕೂಡ ಹೊಸ ಜೀವವನ್ನು ಸೃಷ್ಟಿಸುತ್ತಾರೆ. ಯೇಸುವಿನ ಅವಶಕವನ್ನು ಪಾಲಿಸುತ್ತಾ ಬಂದ ಅದಷ್ಟೋ ಮಂದಿ ಕೂಡ ನಿಜಾರ್ಥದಲ್ಲಿ ಪುನರುತ್ಥಾನವನ್ನು ಅನುಭವಿಸುತ್ತಾ, ಅವಿರತವಾಗಿ ತಮ್ಮ ಸುತ್ತಮುತ್ತಲಿಲ್ಲ ಹೊಸ ಜೀವವನ್ನು ಪಸರಿಸುತ್ತಾ ಬದುಕಿದ್ದಾರೆ. ಯೇಸುವಿನ ಪುನರುತ್ಥಾನ ನಮಗಿಲ್ಲ ಅದನ್ನೇ ಕಲಿಸುತ್ತದೆ.

IIT-JAM Chemistry online Training Programme

The department of Chemistry at St Aloysius College aims at educating students on various areas of both theoretical and practical aspects of Chemistry, such that employment in the industries is possible.

Students are also encouraged to pursue further studies or head for research for the betterment of the community.

It is our observation That Students of high Calibre moving to the undergraduate education system find limited opportunities to compete and to excel.

Therefore the Undergraduate and Postgraduate departments of Chemistry Conducted **Online training Programme for IIT-JAM Examination in Chemistry** for the

students of our college and outsiders.

And also the main aim of the programme was to prepare the young minds towards developing the scientific temper and competency in the field of Chemistry.

For this venture there was tremendous response from various students across India.

There were total of 71 (30 students from our college) students who were benefited from this course.

The programme was Inaugurated on September 30, 2020 by M S Balakrishna, Professor, Department of Chemistry Indian Institute of Technology Bombay, Mumbai, Which was followed by a webinar on the topic "Crystal field theory to Ligand Field theory to Molecular Orbital Theory".

Online classes were started on October 1st. Ms Sahana from the Chemistry department was the coordinator of the Course.

Some of the highlights of the programme were Modules were scientifically designed

Classes were taken by NET/KSET/GATE Qualified teachers who also have undergone intensive training with rich experience.

Sessions were conducted alternative days (Tuesday, Thursday, Saturday) in the evenings. (At 5.30PM-7.00PM)

If the students were unable to attend a live session, recorded session were available for registered participants in college online platform.
